

## Appropriate Library Use Policy

The Chelsea Public Library is primarily funded by the City of Chelsea and as such, it is expected that the facilities will be clean, comfortable and safe places for selecting materials, reading, researching, studying, writing, using the public computers and Wireless Internet, and attending Library or community sponsored meetings or events. To this end, the Library is responsible for establishing rules of conduct to protect the rights and safety of Library patrons, volunteers, and staff, and for preserving and protecting the Library's materials, equipment, facilities, and grounds.

Enforcement of these rules will be conducted in a fair and reasonable manner. Library staff and/or the Chelsea Police Department will intervene to stop prohibited activities and behaviors. Failure to comply with the Library's established rules, regulations, and policies could result in removal from the premises and expulsion from the Library for a period of one day to one year, or in arrest or prosecution. Violations could also result in the restriction and/or termination of Library privileges, including the use of Library computers and other equipment and/or access to the services provided by the Metro Boston Library Network.
